

Sliding Scale Tuition Application

Available for Early Childhood-Grade 8, BWS offers a sliding scale discount for families whose adjusted gross income falls within the range of less than \$40,000 to \$110,000. We ask families to always give their children's education a very high priority in their financial planning, including contributions from both parents/guardians and considering possible help from extended family.

To apply for sliding scale tuition, please email this application and the first two pages of your most recent federal tax form 1040 (2021 or 2022 accepted) with your tax ID number blacked out to enrollment@berkshirewaldorfschool.org.

Requests and tax forms for sliding scale tuition must be submitted by email each year by **February 1**.

It is expected that both parents value and contribute to their child's education. If parents/guardians file separately, both parents/guardians must submit tax returns. If you have special circumstances please contact Renée Far at enrollment@berkshirewaldorfschool.org.

____ The first two pages of my **2021 Form 1040** Tax Returns are attached.

____ The first two pages of my **2022 Form 1040** Tax Returns are attached.

I hereby declare that the tax returns submitted are the most recent returns available at this time. If my financial circumstances change after this form is submitted I will contact the enrollment office.
